ALMOST FAINTED
WHILE STANDINGAnd Suffered Dreadfully From
Headache, Backache, Diz-
ziness. Says Now That
Women Are Foolish
to Suffer And
Tells Why.Now Augustus, Miss, in relating her
experience Miss Irene H. Craft, of Tulsa,
says: "I have been troubled for
a right smart while with female weak-
ness. I was irregular, and was down
in bed about all the time. I had chills
and fever with those troubles for at
least a year, and a great deal of illness
me, headache and backache."When I was sick in each month, I
had to stay in bed all the time because
my body would ache and my head
would swim, so that I would almost
faint if I stood on my feet."I endured this for about three years.
Finally, I began to doctor with a doctor.
He did not help me much. Then
he recommended Cardiol, and I began
to take it. I took about one bottle and
felt much better. I have taken it since
then, and feel just all right. I have
no headache, headache, or dizziness
now."I think women are foolish to suffer
when they can take so helpful a remedy
as Cardiol, and I surely praise it to
every one."If you suffer from any of the ill
ments so common to women, why not
give Cardiol a trial?"Such earnest statements as the
above speak for themselves, and we re-
ceive thousands of similar ones every
year.Your druggist sells Cardiol. Get a
